

Cook County Board Meeting
Thursday, December 6, 2006
10:00 am

This was the first meeting chaired by Todd Stroger.

- Bobbie Steele's resignation was accepted by the board.
- There were 87 items on the distributed agenda.
- There was no memorable discussion on items nor on agenda items for Finance, Roads and Bridges, Zoning and Building Committees.
- Most notable was that the public comment allowed at the end of the meetings did not occur. Later it was reported in the newspaper that this portion of the meeting has been dispensed with.

The meeting ended before 12 noon, an unusually prompt adjournment.
